

THE NIGHT IS AS MAGICAL AS THE DAY

Arc 1950 le Village is accessible using several different methods of transport adapted to its visitors' requirements. Whether you travel by car, train, plane or even by helicopter, you will always find a way to get here! The 1950 Experience starts as soon as you arrive. You will be warmly welcomed and guided to the entrance of a large underground car park with direct access to your residence. From there, you will see that the village is entirely car-free... Welcome to one of the most easily accessible resorts in the Alps!

Après-ski entertainment

At the end of the afternoon, the atmosphere turns festive. The ski runs are used for friendly competitions, freestyle ski shows and all sorts of initiations and discoveries... You can also participate in key moments like original shows, parades and even a fashion show that will leave you with unique memories of your holiday.

Unusual experiences close to the Village

If you haven't had your fill of snow and activities yet, don't worry, Spirit 1950 by Evolution 2 proposes quite original après-ski activities. Why not try Snake Gliss, a descent on toboggans that are roped one behind the other, for fun in a group.

Caméléon Organisations will take you to discover the icy atmosphere of the Igloo Village with its ice grotto, where you can have tea, an aperitif or dinner... and even stay the night!

Going out in the Village

Going for a drink and enjoying a range of different atmospheres without leaving the Village is a luxury that you can experience every evening. Arc 1950 Le Village offers a wide range of restaurants and bars. You can go in search of adventure in the beautifully lit Village, looking for the place and style you want for the evening and stay out until the wee hours.

A festive spring

In the springtime, the bars, pubs and Village streets are the location for après-ski concerts and shows. Different styles of music follow on from each other as the days get longer. Jazz, rockabilly, pop and other styles will make your spring afternoons great moments to enjoy with your family or friends. The springtime also offers an opportunity to appreciate magic shows or comedy shows that will leave no-one indifferent!

#experience1950

From the Irish pub (Les Belles Pintes) to the Italian mountain bar (Le Chalet de Luigi) with indoor or outdoor concerts at the end of the afternoon, to the cosier, more intimate atmosphere of a wine bar (George's Wine Bar) or an atypical bar (Wood Bear Café), you certainly have the choice! If you want to extend the evening and go dancing, try the elegant lounge ambiance of O'Chaud with its all-new menu.
