

TAKE THE RIGHT ROAD TO REACH THE PEAKS...

Arc 1950 le Village is accessible using several different methods of transport adapted to its visitors' requirements. Whether you travel by car, train, plane or even by helicopter, you will always find a way to get here! The 1950 Experience starts as soon as you arrive. You will be warmly welcomed and guided to the entrance of a large underground car park with direct access to your residence. From there, you will see that the village is entirely car-free... Welcome to one of the most easily accessible resorts in the Alps!

8. Access & transport

By car

Follow directions to Albertville, Moutiers, then Bourg-Saint-Maurice / Les Arcs.

Take the A43/E70 to Albertville then the dual carriageway to Moûtiers and the N90 to Bourg-Saint-Maurice.

By train

TGV from Paris, Lille and Nantes, Eurostar from London, Thalys from Amsterdam and Brussels.

The nearest railway station to Arc 1950 Le Village is Bourg Saint Maurice, approximately 35 min from the village.

By air

Four international airports offering commercial and private flights are near to Arc 1950 le Village:

Lyon Saint Exupéry

On the funicular

Nestling in the heart of the vast ski area of Les Arcs, Arc 1950 Le Village is linked to the other sites and Bourg Saint Maurice in the valley. The funicular links Bourg Saint Maurice (railway station) to Arc 1600 in just 7 mins. You can therefore travel direct from Saint Pancras in London to Les Arcs via Eurostar and the funicular!

Inter-resort buses

Free shuttle buses take you from the station to the funicular. From Arc 1600, free inter-resort buses run regularly to Arc 1950 Le Village and the other Les Arcs sites.

#experience1950

The panoramic funicular

A new train with large panoramic windows will welcome visitors who will be able to enjoy an exceptional view of the mountains and the valley. A real treat when you get off the Thalys or Eurostar...

A car-free village

Through its underground car park managed by EFFIA, the Village is helping to reduce greenhouse gas emissions. The car park proposes new modern features and high-end services to ensure your car stays in the warm in all circumstances: electric recharging stations and two Tesla chargers, professionals to put chains on for you, battery boosters, etc.
