

LET GO... AND FIND YOUR TRUE NATURE

Whether you are more sporty or contemplative, or a combination of the two, you come on a winter sports holiday to enjoy yourself! What better opportunity than a holiday in Arc 1950 le Village to harmonise your body and soul?

The best wellbeing and fitness facilities are freely accessible in all the resort's residences and, for supreme serenity, the Deep Nature Spa Arc 1950 invites you to enter its unique mineral world with views to the wonderful Mont Blanc.

3. Wellness

Recharging your batteries in your residence

Arc 1950 le Village is designed to offer a refined mountain experience. In this spirit, all the residences have facilities that you can enjoy any time you want to relax: indoor and outdoor swimming pools, Jacuzzis and Turkish baths. To keep fit, you can use the fitness rooms with fun, intuitive modules in each residence.

SPA with a view of the “Giant of the Alps”: Mont Blanc

There are many experiences to try in Arc 1950, but this one is truly original. There are spas with a sea view, ours introduces you to Mont Blanc, the most spectacular mountain in the Alps. The ambiance of the 1000 m² Deep Nature Arc 1950 SPA lives up to Mont Blanc, with its unique and grandiose mineral setting: fun pools, themed grottos, Turkish bath, sauna, multisensorial showers, footbaths, relaxation room, face and body treatments for adults and children, massages...

This winter, the Deep Nature Arc 1950 SPA has created:

- . personalised “Signature” massages that are even more relaxing and invigorating,
- . a new range of “Deep Nature Skin Care” natural products, with free weekly discovery workshops open to all.
