

FESTIVE DAYS AND NIGHTS

When the last rays of light illuminate the Aiguille Rouge and the resort lights up, new life starts in the Village and the charm of Arc 1950 reaches its peak. Everything will incite you to make the most of the warm atmosphere of a unique après-ski programme. The calm ambiance of the street and the little squares, the magical entertainment, the lack of cars, the welcome you receive in the shops, restaurants and bars, the concerts and shows...you cannot fail to be charmed!

7. Night life

Après-ski entertainment

At the end of the afternoon, the ambiance becomes festive. The ski runs are used for fun competitions, freestyle ski shows and all kinds of initiations and discoveries... You will also be the spectators of key moments: original shows, parades and even a fashion show that will leave you with unique memories of your holidays.

Try original experiences close to the Village

If you can't get enough of snow-based activities, don't worry, Spirit 1950 by Evolution 2 proposes inventive après-ski activities such as Snake Gliss, a group tobogganing experience.

Caméléon Organisations can organise a visit to the Village Igloo and its ice grotto for afternoon tea, an aperitif or dinner ... you can even stay the night!

Going out in the Village

Enjoying a drink and the different ambiances without leaving the Village is a luxury that you will appreciate every evening. Arc 1950 Le Village offers a wide range of restaurants and bars. You can go out on a whim under the fairy lights, looking for the right place and the right mood for the evening, through to the early hours.

A festive spring

In the springtime, bars, pubs and the Village streets become the perfect location for après-ski concerts and shows. There is one style of music after another as the days grow longer. Jazz, rockabilly and pop amongst other styles will offer great spring-time après-ski moments to share with your family and friends. The spring will also be the occasion to marvel at magic shows or comedy shows that everyone will love!

#experience1950

From the Irish pub (Les Belles Pintes) to the Italian mountain bar (Le Chalet de Luigi) with their après-ski concerts inside or on the terrace, to the cosier and more intimate ambiance of George's Wine Bar or the atypical Wood Bear Café, you have the choice. You can then go on to dance the night away in a refined lounge bar atmosphere at O'Chaud where there is an all-new menu.
